Dr Azia Manzoor

Date: 28-05-2019

Dear Colleagues,

As you are already aware that the Department of General surgery is holding a one day CME on "Update on Gastric Tumours" on 20th June 2019. In this connection, the organising committee has decided to have a display of posters concerning different aspects of Gastric Tumours. In this behalf, I invite posters from your department displaying the theme.

Kindly convey and submit the title of poster from the Senior / Junior Residents of your department. It is pertinent to mention that organising committee has decided to select the best three posters for the award session.

Waiting to hear from you before 15th June 2019

Sincere regards

Dr Mumtaz Din Wani

Organising Secretary
